Chairperson's Report

On 15th September at the South Perth Learning centre, we had Zane Stein talking on "Chiron Forty Year Later". Much has been written on Chiron over the last forty, and some of that information came out not long after the discovery of the Centaur. Zane has had the opportunity to research and fine tune the interpretations and understanding of Chiron to a whole new level. It was an extremely fascinating presentation, although we run out of time due to some technical problems. Luckily however, we were able to review the PDF afterwards, which was a blessing for me in particular as I am a slow note taker.

Our next and final speaker for the year will be Cate Whelan from South Australia. Cate will present on the "6th and 12th houses" on 27th October at the usual venue. It promises to be good. Anything on the 12th house is good to absorb, since most astrologers I know, including myself, seem to be lacking a full understanding of that house.

We have had a great year, so far, with some very resourceful speakers.

I also want to mention the AGM on 24th November. You are all invited to attend and we would love to see you if you can come along. The invitation will be in the Mercury Messenger.

Best wishes,

Jeff Farrow

The Solar World View and the 12th and 6th House

To begin this workshop, Cate raises some questions all astrologers need to think about. What kind of society do we want? Have astrology's archetypes become stereotypes? Are our traditional astrological assumptions keeping us trapped within a Solar view of the world? Why are some signs and houses considered more beneficial than others? And are these accepted views at odds with the reality we live in and world we are trying to create?

The 12th and 6th Houses are traditionally called Mal Fortuna – the house of Bad Fortune. Cate will examine the premises on which these reputations are built, and ask if there are things we need to unlearn and rethink, and look at the way these houses function as an axis. She will also discuss the 8th and 2nd – Houses which function in harmony with the 12th/6th.

*And then there are the witches.
What do they have to do with all this?*

Cate Whelan

Cate Whelan has been passionate about astrology for more than 35 years. A former high school teacher, Cate holds an FAA Diploma and a Certificate in Medieval Astrology from Astro Logos. She has been teaching, lecturing and consulting professionally since the mid 1990s. These days, Cate spends more time on research, especially on sociological astrology– she is fascinated by human social relationships, how people interact and form attitudes and opinions within a society, and how culture influences those attitudes.

Cate has been President of FAASA since 2011, a member of the National Council since 2012 and was this year granted Fellow Membership of the FAA

NOTICE

FAA AGM

Sunday 24th November 2019

11:30am

The Secret Garden Café Angelo St South Perth.

Followed by the Annual Christmas Party

The AGM meeting and voting for the committee will be held at **11:30am** followed by our end of year party at 12 noon (more details to follow).

It is important that members attend the AGM or provide a proxy. We need at least **13 members** to form a quorum which includes proxies, so if you cannot attend yourself please send your proxy to a financial member of your choice who will be attending.

As usual all positions become vacant until voted on at the meeting.

Please read and return all relevant nomination forms by the required date.

Please note that all nominations have to be in by **Sunday 28th October 2019** (28 days prior to the meeting).

Nominations from the floor on the day can only be accepted if the position hasn't already been nominated for.

Everyone is welcome to come along and join in to catch-up with our astrology friends.

Astrology School

I am running Beginners classes and advanced classes from the FAA syllabus leading to exams for those that want them, and information for those just interested in knowledge. Classes are in Bayswater.

As a member of the APA, applications for scholarships are sometimes available for students to cover exam fees. Conditions apply.
